Jesse White
Secretary of State

As Secretary of State, I am proud to offer you the opportunity to express yourself through vanity or personalized license plates. These plates allow you to be creative, say something special or help support an important cause.

The sale of these plates helps support highway maintenance as well as preserve our state parks, raise money for violence prevention and promote organ/tissue donor awareness.

I encourage you to join the thousands of Illinois drivers who have expressed their individuality by purchasing vanity and personalized license plates.
